

# Nanotechnology Perceptions

A REVIEW OF ULTRAPRECISION ENGINEERING AND NANOTECHNOLOGY

Vol. 3 N<sup>o</sup> 3, November 2007

## CONTENTS

Carbon nanotubes and nanofibres <i>B.O. BOSKOVIC</i> .....	141
Single spin devices—perpetuating Moore’s law <i>S. BANDYOPADHYAY</i> .....	159
The coming invasion of the medical nanorobots <i>S. MARTEL</i> .....	165
Scientific constructions of nanobiotechnology <i>A. SANIOTIS</i> .....	175
The benefits of applying microsystems in radiochemistry <i>G. JANSSENS-MAENHOUT</i> .....	183
Prospects for environmental nanotechnologies <i>D. RICKERBY AND M. MORRISON</i> .....	193
BOOK REVIEW	
Nanotechnology Measurement Handbook: a Guide to Electrical Measurements for Nanoscience Applications <i>by the staff of KEITHLEY INSTRUMENTS</i> .....	209
